300 NORTH STREET WEST LAFAYETTE, INDIANA 47906 MAIN PHONE: 765-775-5175

TO: West Lafayette Common Council

FR: Chief Timothy J. Heath

RE: November 2014 Report

<u>Call Totals</u>: West Lafayette Fire responded to 108 Total Calls in November: 75 Medical, 4 Fire, 6 Hazardous Condition, 9 Service Calls, 7 Good-Intent Calls, 6 False Alarms, 1 Other. Included were 2 cooking fires, 1 vehicle fire, 1 dumpster fire; 74 medical assists and 1 response to a motor vehicle with injuries; 3 gas leaks; and investigations of an electrical wiring/equipment problem, an overheated motor, and shorted electrical equipment. Year-to-date incidents: 1,817.

Safety: If you or anyone you know needs batteries or detectors, call or stop by any of the fire stations.

New Truck:

On November 17, 18 and 19, Chief Heath, Deputy Chief Schutter, Captain Booth, Sergeant Morris, and Firefighter Harshbarger ventured to Nesquehoning, Pennsylvania to finalize the specs on the new Engine.

<u>Training:</u> A-Shift kicked off November with maps review followed by Medical in-service that covered neurological emergencies. On the 9th, A-Shift hosted a tour of Station 3 with 12 kids and parents. A-Shift also took part in the ARFF (Aircraft Rescue Fire Fighting) training at Station 3. All of this plus more map study of all three fire districts, Audit and Review, Firefighter Shidler's EMT Training, and Firefighter Doyle's Fire Behavior class brought A-Shift's total man hours of training for November to 176.5. B-Shift's training for the last thirty days consisted of medical in-service that covered gastrointestinal issues. B-Shift also participated in Audit and Review and AARF training. This, along with map study and truck familiarization, brought B-Shift's total man hours of training in November to over 120. C-Shift had a busy month of training as well. They performed two Monday truck checks and attended medical in-service that covered gastro and neuro emergencies. Six firefighters attended two days of ARFF training. And new firefighter Drew Snider started on the 21st, as did his orientation. All of this plus map study and physical fitness brought C-Shift's combined man hours to 204 in November and their yearly man hours to 2,267.75.
